“This is how all will know that you are my disciples, if you have love for one another.”
John 13:35
Dear Friends and Supporters of Catholic Charities,

Service is a central principle of Catholic faith in action. For centuries, motivated by Christ’s call to love one another, the Church has been a leader in meeting human needs and inspiring the faithful to assist people in need.

Catholic Charities Archdiocese of Hartford is a local institution and ministry where the call to serve comes to life through the compassion, dedication, and motivation of our employees and supporters like you.

As we celebrate another year of commitment to social justice, we reflect on the acts of love, charity, and mercy that together we were able to extend to our sisters and brothers.

As COVID-19 continues to challenge us all in such persistent and previously unimaginable ways, we continue to respond to the extreme challenges and complex circumstances of the enduring pandemic.

No matter what, our incredible frontline caseworkers are making a difference. Our network of Family Centers helps households to grow from instability to stability, insecurity to security, and worry to relief. Our extraordinary infant, toddler, and preschool teachers and teaching assistants fill each day with love, joy, and learning. Our programs for intellectually and developmentally disabled adults provide respectful, dignified, and individualized care. Our behavioral health clinicians support people struggling with mental health, including anxiety, depression, and substance abuse.

Throughout the pandemic, Catholic Charities staff have continued to make a difference, often despite significant personal risk. They are truly heroes among us and I am so grateful for their sacrifices.

None of this would be possible without the support of our donors, volunteers, trustees, partners, pastors, parishes, and you.

Through your dedication and commitment, you are improving the lives of countless people during this challenging time. Thank you so much.

Please keep all of us in your prayers and know that you are treasured partners in this mission. Thank you so much. May God bless you for your goodness, generosity, and stewardship.

With Heartfelt Thanks,

Marek K. Kukulka
CEO

Catholic Charities provided help and created hope for more than 16,000 residents of all ages.

- More than 10,000 children, adults, and members of their households benefited from culturally and linguistically competent behavioral health services in person or via telehealth, including individual, group, and family therapy to address such issues as anxiety, depression, substance abuse, trauma, grief and loss, anger management, counseling for victims of crime, and other stresses associated with the COVID-19 pandemic.

- Catholic Charities Family Centers and other case managers provided more than 4,500 individuals and families with basic human needs, family strengthening and literacy services, parenting education, leadership training, early childhood support, and access to financial assistance programs such as TANF.

- More than 500 children, from infancy to 5 years old, received services in licensed, accredited, and affordable early childcare centers in Hartford, Meriden, New Haven, and Waterbury, including School Readiness programs that prepare children for kindergarten success.

- Catholic Charities provided competent and compassionate care to 35 individuals in our Developmental Services program, including Group Residences for individuals with developmental and intellectual disabilities, 24 hours a day, 7 days a week, and a Learning and Life Skills adult day program to both residents and other individuals across the Greater Hartford community.

- Catholic Charities provided 300 seniors with supportive services through our two senior centers in Hartford, including check-ins, nourishment, and wellness visits during COVID-19 quarantine.

- Our adoption services program provided 110 individuals with support to facilitate searches for relatives or child placement information.

- Our Community Schools program in partnership with Hartford Public Schools provided wraparound services for 240 middle school students and their families, supporting academic success, health and wellbeing, social development, and family support services.
