Our Mission
Reflecting God’s love, we partner with all to strengthen families and inspire people to achieve their fullest potential.

Our Vision
We envision a future where all individuals and families achieve greater safety, stability, and independence in compassionate communities where people are valued, connected, and take care of one another.
Dear Friends and Supporters of Catholic Charities,

For over a hundred years, Catholic Charities has provided human services, advocated for social justice, and responded to those who are most in need within the Archdiocese of Hartford.

This year, through the commitment of our staff and volunteers, Catholic Charities has compassionately served over 10,000 individuals and members of their families.

All of this is possible because of you and others in our community who share this important commitment to doing everything we can to provide help, create hope, and make a difference.

The challenges this past year have been significant, including the continued effects of the pandemic and an economic climate that has proven difficult for many households to navigate. People who were already living in fragile environments have been facing an even greater risk of instability, insecurity, and poverty.

When we work together and devote our time, talents, and resources to serving others, we build stronger communities and instill greater solidarity with our neighbors. We remain faithful to our mission and to values rooted in Catholic social teachings, as conveyed in Matthew 25. Feed the hungry. Welcome the stranger. Care for the sick.

This year, our impact has continued to grow.

Our Limitless II Adult Day Program for adults with intellectual and developmental disabilities opened this year in Manchester, expanding our programming east of the Connecticut River for the first time in memory and building on the impact of our essential Developmental Services program for some of our most vulnerable individuals.

Our Certified Community Behavioral Health Clinic began operations in Hartford, providing comprehensive, specialized, bilingual behavioral health, addiction treatment, and primary care to adults, children, and families at our Institute for the Hispanic Family.

Our hardworking, dedicated, and diverse staff has responded with compassion, expertise, and innovation to the needs, challenges, and unique circumstances of our clients, and we could not be more proud to be part of this organization with them.

On behalf of Catholic Charities, I would like to express sincere gratitude and appreciation to all who have contributed to our organization this year, and who will continue making a difference with us into 2023 and beyond.

With heartfelt thanks,

Marek Kukulka
Chief Executive Officer
In 2021, Catholic Charities Institute for the Hispanic Family behavioral health clinic received a federal SAMHSA grant to become a Certified Community Behavioral Health Clinic.

Our CCBHC provides comprehensive, specialized, bilingual behavioral health and addiction treatment to adults, children, and families. On-site primary care is also available through a collaboration with Charter Oak Health Center. Our CCBHC also offers intensive community health workers to coordinate primary and specialty health care, targeted case management for adults with chronic mental illness, an open access clinic, peer supports, and more.

In the first year of our CCBHC:
- 725 individuals received behavioral health/addictions care, including 149 children or young adults (under age 24)
- 130 individuals received primary health care at our on-site clinic 65% of discharged clients reported significant improvement in their level of depression
- After 6 months of treatment, 97% of adults reported Catholic Charities helped them to take charge of managing their illness, 94% would recommend Catholic Charities to a friend or family member, and 92% reported Catholic Charities showed belief in their ability to grow, change, and recover

Waterbury Family Center

Mary (name changed) is a single mom whose son has special needs. She came to Catholic Charities on the advice of a friend who received assistance in the past. Due to the pandemic, the hours at her job were reduced, and she began falling behind. With the help of a Catholic Charities case manager, Mary found a better part-time job, with benefits and hours that allowed her to drop off and pick up her son from school. She was not only able to catch up on bills, but her case manager also helped her to apply for a program that reduced her overall utilities costs. We are grateful to help Mary achieve self-sufficiency, peace of mind, and an improved living situation for mother and son.

Want to help? You can support hard-working households like Mary’s with a donation in support of Family Centers, Emergency Assistance, or wherever your gift is needed the most.
Meet Angel (New Haven)

Hi, my name is Angel, and I am the youth facilitator of Centro San Jose in the Fair Haven neighborhood of New Haven.

I came to live in New Haven from New Jersey. I wanted to join different activities for the youth in the new neighborhood I came to live in. One day, I saw a flyer posted for a free youth basketball program and an open gym session at a local school. I decided to visit one day.

There I worked closely with the Youth Coordinator, Kalill Declet. He allowed me to assist by cleaning up and coaching during game time. During Covid, I assisted Kalill in distributing food at the food pantry at 290 Grand Avenue.

By helping, I realized that working with the community was something I enjoyed. With Kalill’s support, I decided to enroll at Gateway Community College and continued to volunteer at Centro San Jose Youth Program.

Being able to help the community was amazing by giving out food to the people in need. My volunteering hours were a blessing because I was given the opportunity to be part of the Centro San Jose family. I am now part of an organization that serves the community in many ways.

I admire the work the School Readiness teachers at Centro San Jose do on a day-to-day basis. The families are so nice and grateful for the work the team puts in every day. I have had the best experiences by sitting in with the class during centers and joining in during circle time. Having to work with kids in a group or one by one really opens your eyes and shows how diverse we really are. Now I have chosen to register for Early Childhood Education courses as well.

I am honored to be a part of Catholic Charities Centro San Jose.
- Angel Franyutti

Thank you, Angel, for the many ways you make a difference to children and families served by Catholic Charities in New Haven!
The Difference We Make Together

4,923 Individuals of all ages received culturally and linguistically competent behavioral health services in Hartford, New Haven, Waterbury, and Torrington, including individual, group, and family therapy to address such mental health issues as anxiety, depression, substance abuse, trauma, anger management, and counseling for victims of crime.

4,403 Individuals and families were provided with basic human needs, family strengthening and literacy services, parenting support, food pantry, diaper bank, employment training and placement, and other services at centers in Hartford, Meriden, Newington, New Haven, and Waterbury.

489 Infants, toddlers, and pre-K children (3 to 5 years) received nurturing care, including Early Head Start and School Readiness programs, with families benefiting from nationally accredited, affordable, and year-round early childhood education programs in Hartford, Meriden, New Haven, and Waterbury.

466 Seniors received supportive services through the Hispanic Senior Center, South End Wellness Senior Center in Hartford, and home-based programs that provide enrichment activities, health and nutrition, and a strong sense of community for individuals ages 55 and older.

355 Hartford Public Schools elementary and middle school students and their families participated in our Community Schools programs, focusing on the whole child and family by providing extended-day programming, summer programming, and trauma-informed services that support academic, health, and social development.

74 Adult adoptees, biological siblings, birthparents, and adoptive parents were assisted with searches for records on adoptions.

66 Individuals received supportive housing services at Cathedral Green in Hartford and St. Francis Xavier Plaza in Waterbury.

54 Individuals with intellectual or developmental disabilities received safe and nurturing care in our 24/7 group residences across Hartford County and our Limitless Adult Day Programs in Manchester and Newington, accommodating the special needs of each person and supporting their self-sufficiency, self-confidence, and independence.

A LOOK BACK… Fiscal Year 2021-2022 at a glance

10,000+ individuals served in FY22

PROGRAM SPOTLIGHT:
South End Wellness Senior Center (Hartford)

Participating seniors (ages 55+) receive quality nutritious lunches, basic human needs services, and assistance to address their quality of life challenges. Seniors receive access to CHOICES benefit counseling to address challenges or concerns they may be experiencing with Medicare or Medicaid. They also receive case management to help address or provide referrals for mental health, housing, or energy assistance.

The Senior Center program provides opportunities to help address social isolation through an array of services that promote socialization, including aerobics, fitness, knitting, ceramics, computer classes, tai chi, bingo, billiards, and dominoes.

In an optional survey last fall, 10% of seniors at this location rated us as “Satisfactory” 21% rated us as “Good,” and 69% rated us as “Excellent.” 100% of seniors in the survey reported that the South End Wellness Senior Center has improved their quality of life.
Early Head Start (Hartford)

Zelda (name changed) is the mom of a toddler. She came to Catholic Charities when she was 18 years old and her toddler was still a baby.

Zelda needed a lot of support, including a place to live. She was able to hold down a part-time job, but aspired to continue her education and find a career.

When Zelda enrolled her child in Early Head Start, she got involved in meetings that Catholic Charities organized with other parents from the center. She found information about jobs, affording housing, and other resources in the community.

With the help of a Catholic Charities Family Specialist, Zelda found a full time job at Saint Francis Hospital and an apartment near Woodland Street. She has also gone back to school, and her professional goal is to become a Medical Assistant.

Zelda has been through a lot. She has never given up on her personal and family goals. She is an example of perseverance, humility, and courage. Her next goal is to purchase a car. She would like to be more independent and show her daughter that dreams can come true.

Thank you to our incredible teachers, teaching assistants, family specialists, and every Catholic Charities staff member who finds ways to uphold the dignity of each person we serve.

PROGRAM SPOTLIGHT:
Entrepreneur Course, Asylum Hill Family Center (Hartford)

- 10-Week Business Course offered virtually
- Led by staff from University of Hartford Entrepreneurial Center and coordinated by Catholic Charities
- Program completion requires a mock investor pitch deck utilizing PowerPoint for presentation
- Graduates receive a certificate of completion and $250 business stipend
- Participants receive additional business support from University of Hartford Entrepreneurial Center
Developmental Services (Manchester)

At first, Michael had a tough time adjusting to his new adult day program. He had been at home for a very long time due to the pandemic. Michael would often fall asleep and decline to participate in many activities.

Then, Michael found his joy with Music Therapy.

The first time he sat in a session, he had a big smile on his face, stood up, and began dancing. Catholic Charities staff quickly learned that music would help Michael to open up, and this realization helped them to improve their strategies and approaches for his individualized support.

One week during Music Therapy, Michael was holding a book in his hand. Some of the other participants were doing solo songs with the therapist. Michael opened his book and started to read it aloud to the group. He described what was on the page and then he turned the book around to show the pictures. He was very proud of his achievement.

The music therapist then played a familiar song for Michael to sing while still holding up his book. Michael sang the words that he knew and had a big smile on his face for the entire song.

Catholic Charities is proud to now offer two adult day programs for individuals with intellectual or developmental disabilities, in addition to several group residences with 24/7 care. Thank you to our communities and amazing staff in Newington and Manchester for making these resources possible for our individuals.
Staff Appreciation, Staff Commitment

We are so pleased and grateful to recognize employee excellence. Our agency, our clients, and our communities all benefit from the hard work, dedication, compassion, kindness, creativity, thoughtfulness, and innovation of each staff member.

A highlight of our Staff Appreciation Celebration is the opportunity to recognize so many incredible Catholic Charities employees who inspire us with their lengths of commitment to our agency, to our mission, and to the people and communities we serve.

After being unable to celebrate together in 2020 or 2021, we were thrilled in 2022 to recognize several employees who reached 5 years, 10 years, 15 years, 20 YEARS, 25 YEARS, and even 30 YEARS (!!!) of employment with Catholic Charities.

To all of our staff, we are grateful for each of you, and for the difference you make each day. It is truly awe-inspiring to witness your commitment to providing help and creating hope.

Operating Revenue

- Grants from Gov’t Agencies 18,415,260
- Program Service Fees 2,360,234
- Archdiocese of Hartford 2,409,631
- Contributions and private grants 1,928,957
- Hartford Bishops’ Foundation 100,000
- Interest and dividends 139,201
- Special events 82,050
- Other 44,683

**Total Operating Revenue** 25,480,016

Operating Expenses

- Program Services 21,566,499
- Management and general 3,932,750
- Fundraising and development 382,744

**Total Operating Expenses** 25,881,993

The agency reported fiscal 2022 operating revenue of $25.5MM and operating expenses of $25.9MM. Fiscal 2022 saw the beginning of a return to normal operating services since the pandemic. Operating revenue has continued to grow over the past three years, which has helped the agency to provide services to more constituents. Looking forward, the agency will continue to focus on growing operating revenue, gaining efficiency, and providing services to more constituents, but faces a number of challenges including staffing, inflation, and uncertain economic times.
